"I love coming to the club because I get to try and learn different things. At the club everyone is family."

Summer Camp is in full swing and has lots of amazing youth participating in Sports Camp and Outdoor Adventure Camp activities. Some highlights have been field trips to Utah, roasting s'mores and hotdogs, trying different sports, and making new friends.

In July the fun continues with a club BBQ and night games. Then two weeks of STEAM Camp and Celebration Camp. August will include Water Camp and the annual overnight camping trip to Meeks Cabin.

Great field trip to Utah for the the Bee's Game and the Mall.

The Evanston Youth Club's 10th Annual Dinner was held on May 19th and was a huge success. This years theme was COEO which stands for Capitalize on Every Opportunity. At the Annual dinner the Evanston Youth Club was pleased to reveal a new, and much needed, bike trailer honoring Ranger Rick Schuler. It made its maiden voyage to the state park where many kids were able to go mountain biking. Thank you to all those that made it possible.
